Guidance Notes for the completion of this application form

1. If printing, complete the form in BLOCK CAPITALS using black or dark blue ink.
2. The classification of aircraft is normally related to the Type Certification Basis (e.g. Large Aeroplane or Large Rotorcraft).
3. The maximum number of passengers is required in order to calculate the minimum insurance cover needed to meet the requirements of Regulation (EC) 785/2004 on insurance requirements for air carriers and aircraft operators. This figure does not refer to the maximum number of seats, but to the maximum number of passengers to be carried on any single flight during the period of insurance.
4. If the aircraft is to be registered in the name of an unincorporated body or more than one individual the full names and addresses of all persons sharing the ownership must be given. In the case of an aircraft chartered by demise, the names and addresses of the charterer should be given. Use a separate sheet if necessary.
5. The address given will be used on the Jersey Aircraft Register and the Certificate of Registration. The Jersey Aircraft Register is available to the public on our website (www.jar.je) and includes the names and addresses of registered owners of aircraft.
6. "Commonwealth citizen" means a British citizen, British Overseas Territories' citizen, British Overseas citizen, British subject, British National (Overseas) or a national of a country listed in Schedule 3 to the British Nationality Act 1981.
7. The aircraft must be insured in compliance with JAR Regulations & Regulation (EC) 785/2004 a copy of the certificate of insurance must be included with this application or provided before the aircraft will be issued with a Certificate of Airworthiness.
8. If the aircraft is **NOT** currently insured in compliance with the Regulation, please note that by indicating 'NO' and signing this form you are confirming that you will not permit the aircraft to be flown unless you have first provided the Jersey Aircraft Registry with a Certificate of Insurance or valid evidence of insurance.
9. The operator of the aircraft may be the owner or a sub-contracted operations organisation.
10. The registered owner or charterer should sign personally; where more than one person is shown as registered owner or charterer, each person should sign (use a separate sheet if necessary). In the case of a company or other body corporate or undertaking, a director, secretary or other authorised officer should sign, stating the position he holds. The completed application form must be accompanied by an official document listing all the directors of the company or other body corporate or undertaking.
